

Jennifer Toth is the McDOT Director and County Engineer. She has 20 years of experience in transportation engineering for one of the largest counties in the United States. (Fake news? - #4 by population, #15 in area)

Before joining MCDOT in 2014, Jennifer served as State Engineer and Deputy Director of the Arizona Department of Transportation with responsibility for planning, designing, constructing, maintaining and operating more than 6,000 miles of interstate and state highways in Arizona. She has also worked in the private sector as a transportation consultant.

Jennifer holds a BS in CE from the University of Houston and a MS in CE from the University of New Mexico. Any Cougars Phi Slama Jama (82-84) & Lobos?

She brings to MCDOT a passion for public service and meeting the transportation needs of the residents of Maricopa County.
